Mr. Don E. Seibel, Pres.,
Milwaukee Radio Amateur Club, Inc.,
% 1928 Keefe Avenue,
Milwaukee, Wis.

Dear Sir:

The duties of Secretary-Treasurer of our Club require of the person, who has the honor of holding that position, that he perform certain duties. It was the intention of the writer when he was selected for the position to perform these duties in a manner that would be of benefit to the club and a credit to himself. This, of course, takes time.

It is with regret that conditions which I did not forsee, are making more demands on my time than I expected and I am therefore unable to give the time and attention to Club affairs as I have in the past. Rather than perform my duties in a hasty or half manner, I believe it to be to the best interests of all concerned that a successor be appointed in my place.

In other words, I wish that this letter be accepted as my resignation as Secretary-Treasurer for the reasons stated above. I shall, however, continue on as a member and I will endeavor to attend as many meetings as possible, and take part in other activities of the club.

Yours very truly,

FRANK J. JUTRASH, Sec-Treas.
